extended opportunity to explore and play in the learning garden
and wooded areas snow/rain or shine*

open to 3s & pre-k students

(limit 10)

Name: _____

I understand that by taking part in this program my child will experience the outdoors in all weathers with the exception of heavy rains, high winds and thunderstorms or extreme temperature conditions. I understand that their clothes are virtually guaranteed to get dirty and wet and agree to provide the following: rain or snow pants, jackets, good mud boots, mittens and hats and multiple layers. While the area will be monitored daily for risks, I understand my child will be participating in exploration of natural areas and may encounter such things as insects bites and stings, ticks or poison ivy.

Signed by parent/guardian _____ date _____

Each "Block" of classes cost \$65, except for April which has 4 classes for \$80.
